

We will not go down - Michael Heart

Am C
A blinding flash of white light
G Fmaj7
Lit up the sky over Gaza tonight
Am C
People running for cover
G Fmaj7
Not knowing whether they're dead or alive

Dm Am
They came with their tanks and their planes
Dm Am
With ravaging fiery flames
G Am
And nothing remains
C G
Just a voice rising up in the smoky haze

F G C
We will not go down
Am G
In the night, without a fight
F G C
You can burn up our mosques and our homes and our schools
Am G
But our spirit will never die
Am G
We will not go down
Am
In Gaza tonight

Am C
Women and children alike
G Fmaj7
Murdered and massacred night after night
Am C
While the so-called leaders of countries afar
G Fmaj7
Debated on who's wrong or right

Dm Am
But their powerless words were in vain
Dm Am
And the bombs fell down like acid rain
G Am
But through the tears and the blood and the pain
C G
You can still hear that voice through the smoky haze

F G C
We will not go down
Am G
In the night, without a fight
F G C

You can burn up our mosques and our homes and our schools

Am G

But our spirit will never die

F G

We will not go down

Am

In Gaza tonight

F G C

We will not go down

Am G

In the night, without a fight

F G C

You can burn up our mosques and our homes and our schools

Am G

But our spirit will never die

F G C

We will not go down

Am G

In the night, without a fight

Am G

We will not go down

Am

In Gaza tonight
