

Nakba reminds!

Worldwide solidarity with the just liberation struggle of the Palestinian people!

For decades the Zionist-imperialist Israel has terrorized the Palestinian liberation struggle and has intensified that during the last weeks and has killed several dozens of demonstrators at the border to Palestine. With these attacks the Zionist-imperialist Israel causes great suffering among the Palestinian population. But they do not allow that to deter themselves from their just struggle, at the end of which there shall be a secular democratic state perspective. A climax of this was the observation of the Nakba day¹ on 15 May. In 1948 on this day 800,000 Palestinians were deported from their home country to exile, lasting until today. The relocation of the US embassy to Jerusalem is a declaration of war against the Palestinian people. It means recognition of Jerusalem as the capital of Israel in violation of international law.

“The ICOR denounces Zionism as the spearhead of US imperialism in the Middle Eastern region and the Zionist crimes against the Palestinian people. Since 1947 the Palestinian people live under the yoke of colonialism, exploited, starved out, deprived of their land, massacred and forced by violence to leave Palestine. The Zionist committed barbarian atrocities and genocides that continue till today.” One reason for Israel to act in such an aggressive way is that it wants to weaken the potential of the Palestinian liberation struggle and its impact on other struggles for democracy and freedom, for national and social liberation – in Kurdistan, in Iran. Those in power are on the defensive! The joint antiimperialist and antifascist struggle in the Middle East/West Asia has special great power. *“The Palestinian cause remains an inseparable part of the international anti-imperialist and anti-zionist revolutionary movement.”* (quotations: Closing resolution of the 3rd World Conference; Resolution on Palestine of the 3rd World Conference, November 2017)

Therefore the ICOR calls its presently 51 member organizations and all internationalist forces for solidarity with the Palestinian people:

Long live international solidarity!

Freedom for Palestine!
